Ice Anna Kavan

Ice is a novel by Anna Kavan, published in 1967. Ice was Kavan's last work to be published before her death, the first to land her mainstream success, and remains her best-known work. Generally regarded as genre-defying, it has been labelled a work of science fiction, Nouveau roman, and slipstream fiction.

Ice (Kavan novel) - Wikipedia

"As her fate, she accepted the world of ice, shining, shimmering, dead; she resigned herself to the triumph of glaciers and the death of the world." Her hair was a blizzard, a shimmering cascade of pale luminous moonlight. She was fragile as if made of glass and crystal, built like a waif with pallid skin and bruised eyes.

Ice by Anna Kavan - Goodreads

Ice by Anna Kavan is written in a superb style that makes virtually any New York Times bestseller look like a mediocre freshman paper. This is the only reason I gave the book two stars. The bad: The book is rife with unnecessary descriptions and distractions that can be quite tedious.
