Short Throw Projectors for Home and Business. Important Note: We strongly suggest that only fixed frame screens or tensioned manual or electric screens are used with short throw projectors, as projection on a non-tensioned screen may present a jarring 'ladder' effect from the slight waves in the screen material. Tab tensioned and fixed frame screens do not suffer from this same effect.

### Short Throw Projectors for Business : Projector People

Here are the instructions from the user manual: 56 Maintenance Resetting the Lamp Usage Timer After replacing the lamp, plug the projector back in, turn on the power switch on the back, and press the P power button. Then follow these steps to reset the lamp usage timer: 1. Press the Menu button on the projector or remote control. 2.
