Rated 5 out of 5 by JasonP from Great - would suggest a some changes for next revi Just bought this with the Sanus BLL2 ultra-low profile mount for a 65" Sony TV with sound bar. Works great, was easy to setup and install, with an exception. The thumbscrews and the keyhole bolts as fractional (1/4-20 thread), not metric like everything else in both the sound bar kit and tv mount kit.

### **Universal Soundbar Mount - Soundbar TV Mount**

Rated 5 out of 5 by John O from One of the best flat mount brackets around. I needed a good flat mount tv bracket to hang a 56" curved Sony Bravia tv including soundbar. This was ideal. Fixing was easy, although I had to buy longer wall anchor bolts as the depth required to fix into the brickwork was deeper than supplied.

The PlayStation Portable (PSP) is a handheld game console developed and marketed by Sony Computer Entertainment. It was first released in Japan on December 12, 2004, in North America on March 24, 2005, and in PAL regions on September 1, 2005, and is the first handheld installment in the PlayStation line of consoles. As a seventh generation console it competed with the Nintendo DS.
