Oil Requirements for a 2002 Yamaha VStar 1100 | It Still Runs

I have a v-star 1100 classic that charges while I am running it in the garage, but sometime after we get out on the road and ride, the battery discharges and the bike dies. after we get it home and charge the battery back up and get it cranked, the system is charging again. I have verified it with a hand held volt meter.
